

# Clarksville Elementary School PTA Fall 2016 After School Program

As part of the A+ Partners in Education initiative, HCLS and HCPSS present the Rube Goldberg Challenge. The contest is offered to school teams comprised of **fourth and fifth grade Howard County students**. The students transform everyday materials into a wacky innovative machine that accomplishes the given task of unfurling a banner. However, instead of just "solving" the problem, students are charged with making the solution as complicated and convoluted as possible. By designing and building the machine, students incorporate science, technology, engineering, and math (STEM) concepts into their creations.

Registration is **LIMITED** to a first come, first serve basis.
