**Contact: \_\_Eric Pang, Reflection Chair\_\_**

Attention all dancers, writers, poets, musicians, photographers, writers, and artists!! Come and show off your artistic talents through this year's theme, "I Belong"

PTA Reflection contest is a national level art contest with awards recognized to top finishers in county, state and national levels. For over 50 years, Reflections has inspired millions of students to ponder a theme and express their unique perspectives and interpretation of a student-created theme. Each year, students in Grades Pre-K – 12, are recognized for bringing the theme to life in the following six categories: dance choreography, film production, literature, musical composition, photography and visual arts (including 3D Art).

This year, the theme is "I Belong." For more information about this contest or this year's theme, please visit <https://www.pta.org/home/programs/reflections>

Submission due date this year is **Dec 1, 2025**. Please submit your artwork with the attached form filled out, signed and emailed to Reflection Chair, Eric Pang at [ericp23@gmail.com](mailto:ericp23@gmail.com)
